

2016-17 Annual Report GCM Library

Student Visits

In response to last year's student survey feedback that Learn was too crowded and noisy, we instituted a ticket system in 2016-17. The impact:

Student visits during Learn decreased by over 9,600 in the year.

Student visits at all other times, however, increased by over 4,100 in the year.

1,174 Scheduled Space Use

(36% increase over 2015-16)

Highlights

Collaborated with 75 teachers.

SOL Proctoring change for librarians allowed:

- * 51 Story times
- * 3 Book mobiles
- * 4 Classes on field trip to public library.

Won FCPS Libraries Transform award.

331 Classes Taught

(27% increase over 2015-16)

Use of Resources

Database Searches

129,240 -12%

Books in Collection

11,181 +16%

Book Checkouts

6,581 +10%

Goals for 2017-18

* Build deeper collaborative partnerships at the team level to support information literacy in all content areas.

* Continue to support school, county and national initiatives with information literacy and cultural proficiency.

* Continue providing a safe and welcome space for every student to learn and grow.
