

# Marshall HS Library Q1 Report 2018-19

As teacher librarians, we balance **Educator** and **Program Manager** priorities:

- We strive to develop relationships to support students and teachers in their learning.
- We work collaboratively to create lessons that meet content standards and learning needs.
- We manage our space to meet ever-changing demands of our school community.
- We ensure that our collection of resources is up to date & relevant to the curriculum & pleasure reading needs of our patrons.
- We encourage & support the use of technology to enhance learning & are proactive members of our professional community.

## Q1 Highlights

- Welcomed nearly all 9th graders to library for orientation bingo and a chance to win "get out of library debt" free cards.
- Gave away over 350 Chipotle coupons for student who read over the summer.
- Involved in FCPS's Equity team and the Marshall Instructional Transformation team.
- Over 2,000 of our students have visited the library at least once so far this school year.

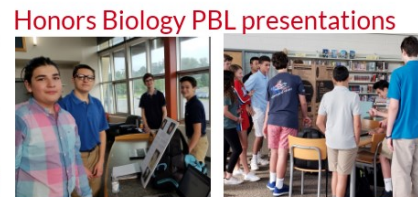

- Helped students research in their English, Math, Social Studies, World Languages, and Performing Arts.
- Hosted the Biology Honors PBL presentations in the library.
- Attended and participated in: HS Librarian's meeting, MS Librarian's meeting, Head Librarian CLT, Library Advisory Committee, Equity Lead meetings, FCPSOn readiness meetings.
- Coaching new FCPS librarians through the Great Beginnings program.

Welcome back to GCM Library!

Did you read this summer?  
Have a burrito!
